## THE BIG CAN—FAMILY, HOME & PROPERTY DEFENSE

### **Security Equipment Corporation's New HOME DEFENSE Pepper Spray Provides Less-Lethal Defense for Multiple Aggressors**

Being awakened suddenly in the middle of the night by a strange sound is a very unsettling experience. Was it your pet, the wind or maybe an intruder? As the mind races to determine the source, protecting your family becomes paramount. The same self defense urge is experienced by an employer or employee who is unexpectedly startled by an unusual noise when alone in their place of business. Protection is needed immediately in these circumstances which is why Security Equipment Corporation is pleased to introduce their SABRE RED HOME DEFENSE Pepper Spray.

HOME DEFENSE provides 13.0 oz of SABRE RED Pepper Spray to fend off one or multiple aggressors! Built like a small fire extinguisher, HOME DEFENSE deploys a heavy fog delivery with a range of twenty-five feet. In fact, a one (1) second burst of HOME DEFENSE will cover an entire doorway with a very powerful, incapacitating dose of SABRE RED. This exact canister design and formula is used to protect correction officers against multiple combative inmates and is now available for civilian defense.

Security Equipment Corporation's SABRE RED formulation is the brand of choice by many of our nation's largest law enforcement agencies which include: Customs & Border Protection; US Marshals; US Capitol Police; Pentagon Police; Federal Bureau of Prisons and many of our nation's largest municipal police departments. "We are very happy to provide good citizens with a less-lethal form of defense to protect their families, homes and property" said David Nance, Security Equipment Corporation's Vice President of Sales and Marketing.

Purchase a canister of HOME DEFENSE and keep it in a secure place, away from children, in your bedroom closet or near your desk at the office. HOME DEFENSE also provides your family a self defense option when you are away. The next time either you or they are awakened or startled, HOME DEFENSE will provide a self defense option to help ensure safety and fend off multiple attackers if necessary!

Since 1975, Security Equipment Corporation has produced the most effective line of defense spray products. Branded as SABRE, SABRE RED and FRONTIERSMAN, customers are offered the finest defense sprays possible with one thought in mind: When a life is at stake, our products must be effective.
