

2-IN-1 PEPPER GEL + ALARM

F15PA-XXOC

What does SABRE® Pepper Gel do?

- May cause involuntary eye closure, difficulty breathing, facial burning, psychological symptoms (fear, anxiety & panic), more at sabrered.com/effects.

When should I use my SABRE® Pepper Gel?

- Carry it with you at all times (Where Permitted)!
- Practice with a SABRE® Practice Spray to increase familiarity.
- Test your SABRE® Pepper Gel upon purchase & semi-annually with a quick burst onto the ground.
- Deploy when you feel your safety is in jeopardy or you are attacked, then escape and call the police immediately do not try to capture your attacker.
- Replace your Pepper Gel after using on an attacker.

WARNING:

DO NOT separate top from bottom, product could be damaged and will void warranty.

Fast Flip Top™

How do I use my SABRE® 2-IN-1 Safety Device?

1. Prior to use, carefully extract the clear plastic pull tab from the battery compartment.
2. Grasp the device ensuring that the index finger is positioned below the alarm button.
3. Slide thumb under the Fast Flip Top™ Safety and apply downward pressure to initiate the gel. Alarm sounds when pepper gel actuator is engaged.
4. Spray from ear to ear across the eyes. A gel stream will reach up to 12-14 ft (3-4 m) in front of you. Shield face when firing into wind. Release pressure to stop firing. Sidestep and escape to safety. **To deactivate the alarm, press and hold the alarm button until it stops for approximately 2-3 seconds.**
5. For alarm activation without deploying the pepper gel, press the alarm button twice quickly. **To deactivate the alarm, press and hold the alarm button until it stops for approximately 2-3 seconds.**
6. In instances of prolonged inactivity, it is advisable to assess the device's operational status and, if necessary, replace the batteries at regular intervals of no more than six months.

⚠ WARNING

SEVERE IRRITANT. CONTENTS UNDER PRESSURE. AVOID CONTACT WITH YOUR SKIN, EYES AND MOUTH. KEEP OUT OF THE REACH OF CHILDREN.

FIRST AID: In case of eye contact, carefully remove & discard contact lenses. Flush eyes with cold water for 15 minutes. DO NOT rub eyes. Get prompt medical attention. In case of skin contact, remove contaminated clothing. Flush skin 15-20 minutes with soap & cold water. Repeat as necessary. DO NOT use creams, salves, or oils. Seek medical attention if symptoms persist. **DO NOT PUNCTURE OR INCINERATE CONTAINER. DO NOT EXPOSE TO HEAT OR STORE AT TEMPERATURES ABOVE 120°F (50°C). HANDLE WITH CARE. DO NOT USE AFTER EXPIRATION DATE ON DEVICE.**

FOR SELF-DEFENSE ONLY. The use of this substance or device for any purpose other than self defense is a crime under the law. Illegal use of this unit is punishable by imprisonment, fines or both. Not to be purchased or possessed by minors, felons, anyone addicted to narcotics or where prohibited by law.

N.Y. - This device shall not be sold by anyone other than a licensed or authorized dealer. Violators may be prosecuted under the law. **FAA** regulates carrying self-defense sprays on airplanes; must be in checked baggage.

Contents are dangerous - use with care.

Prolonged exposure to alarm siren may cause permanent hearing loss.

Prior to use, you **MUST** read & watch the warnings & instructions at www.sabrered.com/safetytips. **NO** personal safety product, including this product can guarantee your safety in an attack. Failure to use properly could result in the inability to stop an assailant. Use counter measures if necessary.

Replacing the batteries:

How do I replace the batteries on my SABRE® 2-IN-1 Safety Device?

1. Using a #0 Phillips head screwdriver or similar size, turn the screw counterclockwise 3 full rotations to loosen the screw from the battery compartment. Do not fully remove the screw as it can easily be dropped or lost.
2. Gently pull the battery case from the lower alarm compartment by gripping the screw. If the battery compartment does not easily slide out, apply outward pressure to the small notch beneath the battery compartment.
3. Remove four LR44 batteries from the battery compartment.
4. Replace with four new LR44 batteries. Note: battery polarity is molded into the base of the battery compartment. Do not insert batteries backwards.
5. Replace battery component into lower alarm compartment and tighten screw clockwise.
6. Test the alarm to verify alarm operation.

⚠ WARNING

- **INGESTION HAZARD:** This product contains a button cell or coin battery.
- **DEATH** or serious injury can occur if ingested.
- A swallowed button cell or coin battery can cause Internal Chemical Burns in as little as 2 hours.
- **KEEP** new and used batteries **OUT OF REACH OF CHILDREN.**
- Seek immediate medical attention if a battery is suspected to be swallowed or inserted inside any part of the body.

BATTERY WARNING:

- Battery Type: 4 x LR44 (Included).
- Remove and immediately recycle or dispose of used batteries according to local regulations and keep away from children.
- Do **NOT** dispose of batteries in household trash or incinerate.
- Even used batteries may cause severe injury or death.
- Call a local poison control center for treatment information.

BATTERY WARNING CONT.:

- Non-rechargeable batteries are not to be recharged.
- Do not force discharge, recharge, disassemble, heat above 60°C (140°F) or incinerate. Doing so may result in injury due to venting, leakage or explosion resulting in chemical burns.
- Ensure the batteries are installed correctly according to polarity (+ and -).
- Do not mix old and new batteries, different brands or types of batteries, such as alkaline, carbon-zinc, or rechargeable batteries.
- Remove and immediately recycle or dispose of batteries from equipment not used for an extended period of time according to local regulations.
- Always completely secure the battery compartment. If the battery compartment does not close securely, stop using the product, remove the batteries, and keep them away from children.

FCC COMPLIANCE STATEMENT:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

LIMITED WARRANTY: The **PERSONAL ALARM** is covered under a 1-year limited warranty from the date of purchase. Proof of purchase, registration, and return authorization is required. You must register your device at <https://www.sabrered.com/product-warranty/>. The **PEPPER SPRAY** is covered under a limited warranty through expiration date. **LIMITED WARRANTY:** If this product fails to work at any time before its expiration date due to a manufacturing defect, return it to Security Equipment Corporation for a replacement. This warranty does not cover products which have been abused, misused, altered or damaged. **TO THE EXTENT PERMITTED BY LAW, SECURITY EQUIPMENT CORPORATION DISCLAIMS ALL OTHER IMPLIED OR EXPRESSED WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE.**

LIMITATION OF LIABILITY: This limited warranty is your sole remedy and SECURITY EQUIPMENT CORPORATION shall not be liable for any damages, whether direct, indirect, incidental, special, consequential, exemplary, or otherwise, including lost revenues and lost profits, arising out of any theory of recovery, including statutory, contract or tort. In no event will SECURITY EQUIPMENT CORPORATION'S entire liability exceed the purchase price of this product. Some states and provinces do not allow the exclusion or limitations of incidental or consequential damages so the above limitations or exclusions may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state and province to province.
