

# FRONTIERSMAN MAX BEAR SPRAY MANUAL

## PRECAUTIONARY STATEMENTS

### Hazard to Humans & Domestic Animals

**DANGER:** May cause irreversible eye damage if sprayed in the eyes at close range. Contact through touching or rubbing eyes may result in substantial but temporary eye injury. Strongly irritating to nose and skin. Do not get in eyes, on skin, or on clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

### First Aid

Have label with you when obtaining medical advice. Call a poison control center, doctor, or 1-800-858-7378 immediately for treatment advice.

**If On Skin or Clothing** – Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

**If In Eyes** – Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

### Physical or Chemical Hazards

**FLAMMABLE.** Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

### Environmental Hazards

Do not apply directly to water. Do not contaminate water by disposing of unused materials.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### USE RESTRICTIONS:

**This product may be used to deter bears or large cats that are attacking or appear likely to attack humans.** This product may not be effective in all situations or prevent all injuries. Do not spray this product on objects, tents or humans; such use has no deterrent effect on bears or large cats. Do not seek out encounters with bears or large cats or intentionally provoke them. Keep safety clip in place except when practicing with or using the product. Do not eat or allow to be eaten any food or feed materials that may have become contaminated with this product.

**This product has an effective range of up to 40 feet.**

**The canister empties in approximately 6 to 7 seconds.**

### APPLICATION DIRECTIONS:

Special procedures must be followed to arm the container, apply the product and restore the safety clip to disarm the container. Before taking this product into bear or large cat country, read the directions below and familiarize yourself with these procedures. If you have not used this product before, you should obtain a training can and practice with it until you can perform these activities quickly and accurately. If you test-fire this canister, make sure the wind is at your back and depress the actuator tab for no more than half a second. Do not test-fire in areas inhabited by bears or large cats. After test firing, clean nozzle and can with soap and water to remove residue from the can.

**To Arm and Apply:** This product is designed for one-handed operation. Place forefinger through hole in handle with thumb on safety clip curl. Pull safety clip straight back and off using thumb (Fig. 1). Depress actuator tab for burst of spray (Fig. 2). Aim at face and eyes of bear or large cat. Press trigger for 3 seconds in order to create a barrier of spray between you and the bear or large cat. Stop to evaluate the impact of wind and other factors and adjust your aim if needed before spraying again.

**To Disarm:** Replace safety clip by firmly pushing with thumb until audible “snap” is heard (Fig. 3). Check to see if safety clip is securely in place. No gap should be visible between the actuator handle and the safety clip.

**STORAGE AND DISPOSAL STORAGE:** Store only in original container, in a dry place inaccessible to children and pets. Do not store in places where the temperature is above 120°F or below 32°F.

### DISPOSAL: Do Not Puncture or Incinerate

**If empty:** Press valve to release all pressure. Then place in trash or offer for recycling if available.

**If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

**LIMITED WARRANTY:** The BEAR SPRAY is covered under a limited warranty through expiration date. Return authorization is required. **LIMITED WARRANTY:** If this product fails to work at any time before its expiration date due to a manufacturing defect, return it to Security Equipment Corporation for a replacement. This warranty does not cover products which have been abused, misused, altered or damaged. **TO THE EXTENT PERMITTED BY LAW, SECURITY EQUIPMENT CORPORATION DISCLAIMS ALL OTHER IMPLIED OR EXPRESSED WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE.**

**LIMITATION OF LIABILITY:** This limited warranty is your sole remedy and SECURITY EQUIPMENT CORPORATION shall not be liable for any damages, whether direct, indirect, incidental, special, consequential, exemplary or otherwise, including lost revenues and lost profits, arising out of any theory of recovery, including statutory, contract or tort. In no event will SECURITY EQUIPMENT CORPORATION'S entire liability exceed the purchase price of this product. Some states and provinces do not allow the exclusion or limitations of incidental or consequential damages so the above limitations or exclusions may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state and province to province.
